DEKALB COUNTY FOOTBALL HISTORY

Eight-man football and the original eight schools served as the origin of the long and proud gridiron history of DeKalb County.

Druid Hills, Southwest DeKalb, Tucker and Avondale helped DeKalb County make the jump to the current 11-man version of football in 1950, with Stone Mountain, Lithonia, Clarkston and Chamblee also in the field.

Legendary DeKalb County multi-sport coach and Athletic Director Elmer Morrow developed the first powerhouse at Druid Hills, guiding the Red Devils to a runner-up state finish to Valdosta and 11-1-1 record in 1956.

Such other coaching giants as Avondale's Calvin Ramsey and Tucker's Terry Hodges lifted DeKalb County's state-wide status to even greater heights toward the end of the 1950s and for most of the 1960s.

Avondale ranked among the powerhouse programs in the state from the mid-1950s through most of the 1980s.

The Blue Devils gained state and national fame during a 13-year stretch from 1958-70, winning a pair of state championships and posting a 129-12-3 record while never losing more than one game in any of those seasons.

Ramsey finished with a 167-33-7 record, leading Avondale to state titles in 1958 (a 13-13 tie against Thomasville in AA) and in a 40-0 blanking of Moultrie in AAA in 1963.

Hodges led Tucker to 10 or more wins four times from 1957-63, highlighted by a 1963 team that went 11-2 and lost in the state final.

Lakeside and Southwest DeKalb emerged as new powers as the decade of the 1970s rolled around, and Avondale still loomed large under Crawford Kennedy's direction.

Wayman Creel, who held the distinction of being the all-time winningest coach in Georgia high school history upon his death in the summer of 1991, guided Lakeside to an immediate period of domination never seen before or since on the local level.

Creel arrived in the spring of 1970 and proceeded to lead the Vikings to undefeated state championships that fall (13-0) and in 1972 (14-0).

Lakeside also went 9-1 in 1971 for a three-year run of 36-1 that has never been matched in DeKalb County history.

Southwest DeKalb claimed its first state championship in 1972, as Dewey Alverson's talented squad knocked off Gainesville (16-12) in the AA final to finish a 13-1 season.

Avondale returned to the head of the class in 1976, roaring to a perfect 14-0 campaign under Kennedy that was highlighted by a 20-19 triumph over Woodward Academy in the AA state championship contest.

Redan in 1979 under Steve Shankweiler, Lakeside in 1991 under Phil Lindsey, Dunwoody in 1994 under David Kelly, Southwest DeKalb in 1995 under Buck Godfrey, Tucker in 2008 and 2011 under Franklin Stephens and Cedar Grove under Jermaine Smith in 2016 and 2018 and Miguel Patrick in 2019 claimed DeKalb's other state titles.

Southwest DeKalb's Godfrey surpassed Kennedy (168-88-9) as the winningest coach in DeKalb County history and finished his career with a 273-89-1 record.

T. McFerrin (Lithonia; Peachtree; Tucker), Dave Hunter (Peachtree), French Johnson (Chamblee), Phil Knight (Columbia; Lithonia), Ron Gartrell (Shamrock; Stephenson) and Tally Johnson (Briarcliff) are among DeKalb County's other coaching giants.

ABOUT THE COVER

The cover for the 2020 DeKalb County Football Media Guide is a collection of pictures taken in celebration of Cedar Grove's state Class AAA championship game victory over Crisp County in 2019. Athletic Specialist **Mark Brock** shot the pictures that appear on the front cover.

GARTRELL LAST OF THROWBACK COACHES

DeKalb County's head football coaching hierarchy once boasted a long line of illustrious and familiar names.

The illustrious part could be found simply by walking the halls and seeing all the subregion, region and state championships that lined the school trophy cases.

Familiarity came from the fact that the majority of DeKalb County football programs once were led by individuals who served as head coach for at least a decade or more.

Buck Godfrey at Southwest DeKalb (1983-2012) at 30 years led the way, followed by the likes of **Dewey Alverson** at Southwest DeKalb (1959-78) at 20 years, **Calvin Ramsey** at Avondale (1951-69) at 19 years, **Crawford Kennedy** at Avondale (1970-88) at 19 years, **Bill Cloer** at Redan (1980-95) at 16 years, **Phil Lindsey** at Lakeside (1983-97) at 15 years, **Wayman Creel** at Lakeside (1970-82) at 13 years, **Phil Knight** at Lithonia (1976-88) at 13 years, **Henry Huckabee** at Lithonia (1953-65) at 13 years, **Terry Sparks** at Henderson (1968-80) at 13 years, **Tom Van Tone** at Stone Mountain (1974-85) at 12 years, **Gene Goff** at Chamblee (1959-69) at 11 years, **Joe Windham** at Towers (1971-81) at 11 years, **David Kelly** at Dunwoody (1984-93) at 10 years and **Ray Bonner** at Cedar Grove (2003-12) at 10 years.

That's 15 individuals who worked at least 10 years as the head coach at the same school, with a range of 10-30 campaigns and an overall average of 14.2 seasons.

It also covers 11 of the 27 schools that have fielded a varsity football team in DeKalb County over the last 71 years, or since local squads first started playing a Georgia High School Association schedule in 1950.

Godfrey and Bonner stepped down as the last of this legendary group of 15 in 2012, or eight years ago. It's no coincidence then that nine of DeKalb County's 10 state championships from 1958-95 were orchestrated by at least one of these individuals.

While the past is the past and head coaches have come and gone in DeKalb County at an alarming rate, there is still one shining reminder how things used to be.

His name is **Ron Gartrell**, and he is entering his 25th season as the first and only head coach at Stephenson. His journey at the school in Stone Mountain began in 1996 and shows no sign of ending in the near future.

Gartrell also served eight years as the head coach at Shamrock prior to that. He might still be there had Shamrock not been converted to a middle school and the feeder school to Druid Hills following the 1995-96 school year.

That's the type of loyalty this throwback to the coaching familiarity that used to be so common in DeKalb County's glory days of the 1950s, 1960s, 1970s, 1980s and 1990s.

Take away Gartrell, and **Bryan Lamar** is the next current man up on the head coaching chain in DeKalb County in terms of years served at the same school with eight campaigns at Tucker.

Stan Pritchett (7 years) at Arabia Mountain, **Terrance Hughey** (6 years) at Clarkston and **Michael Nash** (5 years) at Dunwoody enter the 2020 season as the only other head coaches with five or more years served in that role in DeKalb County.

Looking for consistency, Gartrell's name can be found in the dictionary by that term.

He will begin his 25th season at Stephenson and 33rd straight overall as a head coach in DeKalb County with a 239-121 overall record. Only Southwest DeKalb's Godfrey (273) has posted more victories on the local level.

Since going 1-9 in the inaugural campaign of 1996, Stephenson has not suffered a losing season since while going 203-66.

Six of Gartrell's 24 previous teams at Stephenson have won 10 or more games. The 2005 team served as the highlight in making the state semifinals. That's consistency.

DEKALB COUNTY SCHOOL DISTRICT

The DeKalb County School District has nineteen high schools that field teams in interscholastic sports. DeKalb schools compete in six of the seven classifications of the Georgia High School Association: one is AAAAAAA, two are AAAAAA, seven are AAAAA, four are classified AAAA, two are in AAA and three are AA. The 2020 region alignments are listed on page 6.

The DeKalb County School District, one of Georgia's largest, serves more than 100,000 students (K - 12) living in a 258 square-mile area in the east and northeast sections of metro Atlanta. DeKalb provides diverse educational programs and services operating on a semester basis. The system includes 83 elementary schools, 19 middle schools, 21 high schools, special service centers for foreign language, science, vocational-technical, educational computing, special education, early childhood, learning resource and performing arts. The county operates Fernbank Science Center which features the nation's third largest planetarium.

STADIUMS AND SCHOOLS

All DeKalb County teams play their home games in the five county stadiums. Locations for the stadiums are listed on page 6 of this brochure. Directions to each high school are listed on the schedule page for each individual school throughout the book.

GAME TIMES

Single games played at DeKalb County stadiums begin at 7:30 p.m. When doubleheaders are played on Friday or Saturday nights, the first game begins at 5:15 p.m. and the second game is scheduled for 8 p.m.

SPEED AND WEIGHT

The speed in the 40 yard dash and what a player can bench press are listed in this brochure along with the height and weight of every senior and returning starter in DeKalb County. The information is provided by the head football coach at each school. Due to the fact that there are various ways to determine the speed in the 40 yard dash and the weight for the bench press, there will be variables to consider among schools. Some coaches time the 40 on a track; others time players on grass in cleats. Some times are determined in full uniform while others are not. The bench press can be done on a universal weight machine. Most coaches in DeKalb County will go by Olympic Loose Weights. There is also a discrepancy in heights of players listed since some coaches will measure their players with their shoes on. College coaches should find out from individual coaches how they obtain the information listed in this brochure.

BROCHURE

The Football Brochure is prepared by the Athletic Department and printed by an outside company. The book was written and edited by Phil Schaefer from 1981 to 1999 and Chris Chilton beginning in 2001. For information on the book, call 678-676-1825. Information appearing in the DeKalb County Football Guide can be reprinted only with permission of the Athletic Department.
