ADA Requirements:

Light Work: Light work: Exerting up to 20 pounds of force occasionally, and/or up to 10 pounds of force frequently, and/or a negligible amount of force constantly to move objects. If the use of arm and/or leg controls requires exertion of forces greater than that for Sedentary Work and the worker sits most of the time, the job is rated for Light Work.

Reaching: Extending hand(s) and arm(s) in any direction.

Fingering: Picking, pinching, typing or otherwise working, primarily with fingers rather than with the whole hand or arm as in handling.

Talking: Expressing or exchanging ideas by means of the spoken word. Those activities in which one must convey detailed or important spoken instructions to others accurately, loudly, or quickly.

Hearing: Ability to receive detailed information through oral communication and to make fine discrimination in sounds, such as when making fine adjustments on machined parts with or without correction.

Vision: The ability to perceive the nature of objects by the eye. Acuity (near and far vision), depth perception (three dimensional vision), accommodation (adjustment of lens to eye to bring an object into sharp focus), field of vision (area that can be seen up and down or to the right or left while eyes are fixed on a given point) and color vision (ability to distinguish and identify colors) are required factors.

Repetitive Motions: Substantial movements (motions) of the wrists, hands, and/or fingers.

Performance Factors:

Interaction with Others: Ability to maintain, on a regular and consistent basis, relationships that are not characterized by high levels of hostility, social withdrawal or failure to communicate. Ability to be flexible relative to daily routines. Ability to demonstrate sensitivity to the differences among diverse populations.

Concentration: Ability to maintain workflow and thought processes in the presence of frequent distractions. Ability to ignore irrelevant sights or sounds and intrusive thoughts or stimuli. Ability to manage multiple tasks simultaneously with only few or no errors.

Stressful Circumstances: Ability to produce quality work when short or unexpected deadlines are presented. Ability to adjust work processes without incident when new and unexpected directions are given relative to a project that may be in process. Ability to maintain composure and not compound a situation when interacting with persons who may be angry, demanding or otherwise less than polite.

Independent Judgment: Ability to complete work tasks without being given precise directions relative to work steps or the final project.

Organizational Skills: Ability to establish priorities; simultaneously manage multiple tasks; and deliver a quality work product by a designated deadline.

Attention to Detail: Ability to recognize errors or layout features that detract from the physical attractiveness or accuracy of a work product.

Public Contact: Ability to communicate professionally and effectively, both verbally and in writing, with superiors, colleagues, and other individuals within and external to the school system. Ability to demonstrate professionalism while interacting with others and to maintain constructive working relationships.

Attendance and Dependability: Ability to be depended on to report to work at the scheduled time and to seldom be absent from work. Ability to complete work in a timely, accurate manner and to be conscientious about work performance.
