DeKalb County School District's IB Preparatory School Choice option is designed for the most highly motivated, creative, and well-rounded students.

Who should apply?

- Currently enrolled & eligible 8th grade student who is in or out of attendance area of the feeder IB high school.
- Currently enrolled IB Preparatory Program seat holder & eligible 9th grade students wanting to transfer to a different DCSD IB Preparatory program school are required to reapply.
- Currently enrolled IB Preparatory Program seat holder & eligible 9th grade student is NOT required to submit an online School Choice and the application by email to continue in IB Prep 10th grade program at the same high school.

If there are more qualified students than seats available, a random lottery will be conducted by the School Choice Office. Selection or wait list status will be **notified via email by the School Choice Office on March 25, 2022 after 5:00 p.m.**

Follow these steps to access, complete and submit the TWO required applications:

1. Complete and submit the online School Choice application at <https://www.yourchoicedekalb.org/apply/>
2. Access the IB Preparatory Application (Grades 9-10) form from <http://www.dekalbschoolsga.org/school-choice/forms-and-brochures/>
3. **Download** and **SAVE** the application on **YOUR** computer or **Print** the application.
4. Complete all pages of the application.
5. Review all information.
6. Save the document to your computer as: **Student's first & last name**
7. Scan and save all other required documents (transcripts, report card) on your computer.
8. Open your email box and start a new email. **Email's subject line should have the Student's name followed by name of current (2021-22) school in the following format: Example: Byron Tibbs- Tucker M.S.**
9. Copy paste the email address from list below.
10. Attach saved IB admissions application, all required scanned documents & click SEND. (Please send only ONE email with your attachments included: application, transcripts, report cards, etc. to the school's IB email listed below.)
11. Repeat steps 8-10 if you wish to apply for a seat at the other two high schools. **You must send the printed application to each IB school that you wish to apply for.**

Deadline to submit is February 4, 2022. If deadline falls on a date administrative office are closed for business, the document will be considered due on the first business day after the deadline. The District reserves the right to change the timeline, as necessary. **No exceptions will be made for missed deadlines.**

Parent Statement:

We are committed to full participation in the IB Preparatory Program for the next two years and give permission to access the student records for admissions purposes. We understand a student may be removed from IB for not completing the requirements of the IB Preparatory Program. Removal will not change any school grade my child earns but may require a student to take additional courses in order to meet DeKalb or State of Georgia graduation requirements. Moreover, an IB Preparatory student will lose weighted IB grades, if he/she fails to complete the requirements associated with the IB courses. **Students participating in IB through a School Choice Option will be returned to their home school if exited or withdrawn from the program.**

IB PREPARATORY Admissions Application

Program Description

The International Baccalaureate Programme is open to highly motivated, academically focused students who meet selective admissions criteria. The IB Preparatory Program (IB Prep) prepares students to enter one of two IB Programmes in grades 11-12. Both are rigorous and comprehensive pre-university courses of study that incorporates global perspectives.

The IB Diploma Programme (DP) offered at Druid Hills High, Martin Luther King Jr. High, and Tucker High is a rigorous, comprehensive, pre-university course of study that incorporates global perspectives. The six-subject core program offers an accelerated and advanced curriculum designed to ensure that the math/science-oriented student is challenged to develop appreciation for language and cultures, and that the humanities-oriented student becomes knowledgeable about mathematics and science. Students can pursue areas of personal interest and meet special requirements for university entrance. Elective options may include visual arts, theatre, or psychology. In addition, classroom study is extended through the IB DP Core, including critical reflection on Theories of Knowledge (ToK), participation in creativity, action, and service (CAS), and completion of an independent research project, the Extended Essay (EE). Holders of the IB diploma may qualify for admission to highly selective universities throughout the world and may receive college credits for IB courses.

The IB Career-related (CP) Programme at Tucker High School is a rigorous program of study placing special emphasis on the completion of a career pathway along with rigorous academics. The CP, like the DP, incorporates global perspectives and is appropriate for students who demonstrate a strong commitment to learning both subject-area content and the skills and discipline necessary for success in the global world. Along with its emphasis on career-related studies, CP students pursue an accelerated and advanced curriculum in two of the IB Diploma subject areas and take a Personal and Professional Skills (PPS) class designed to help students develop skills and attitudes to apply to personal and professional situations. CP students engage in service learning where they will apply what they have learned in their classes to a real-life experience. Throughout the CP, students develop a Reflective Project that identifies, explores, and evaluates an ethical issue related to their career pathway. Students who complete the CP may receive the career-related certificate enabling them to gain advanced standing in the college or university they attend. They may also receive college credits for their IB and/or career-related courses.

IB is not a gifted program. Students interested in pursuing the IB Preparatory Program should take the most Advanced/Accelerated courses for which the student qualifies in preparation for the 11th and 12th grade IB DP courses. DCSD recommends that prospective IB DP students to take the following sequence of courses:

A Potential IB Preparatory Candidate

WILL USUALLY....

- Have a strong work ethic
- Demonstrate extra effort to ensure learning (takes notes spontaneously, researches independently, and asks high-level questions)
- Be highly motivated (either intrinsically or extrinsically)
- Have future goals that include college or graduate work
- Respond bravely to the most challenging assignments
- Have an involved and motivated parent or guardian

MIGHT BE....

- One of the top-scoring students (this is often, but not always true)
- High-achieving, but systemically under-challenged
- Quiet or shy
- Dealing with learning challenges (SLD, ADD, ADHD, etc.)

WILL USUALLY NOT....

- Say “pass” when asked what he/she wants out of high school
- Resist higher-order thinking challenges
- Create failure conditions in classes
- Create behavior disturbances that interfere with quality learning

IB PREPARATORY Admissions Application

- Care solely about grades rather than about the intrinsic rewards of learning and wondering about the world.

Criteria for IB Preparatory Student's Success

1. **Love of Learning** - An IB student will have a strict academic program to follow. Study, reading, and preparation time must be carefully managed. The student will need to realize that this rigorous program is best suited for those who truly enjoy the exploration of learning and pursuit of excellence.
2. **Grades** – GPA of 3.0 in core subjects is required while enrolled in the program.
3. **Time Management** - IB students need to have excellent time-management skills. Adjustments to a busy schedule will have to be made to accommodate increased demands on time for a heavy academic load.
4. **Study Skills** – IB students will spend an average of two hours on homework per evening. A strong reading ability is essential. It is also recommended that IB students limit outside employment.
5. **Excellent Attendance** - Daily attendance is an important part of IB. Courses move quickly and substantial information is covered daily.
6. **Community involvement** - The CAS/Service Learning component of IB requires involvement in humanitarian endeavors in the school and in the local and international communities.
7. **Ability to Articulate** - Throughout the IB Preparatory Program, demonstration of thought, expression, and clarity are constantly assessed and challenged. Strong speaking and presentation skills are needed.
8. **Previous Course Work** - Participation in 7th-8th classes accelerated core courses is preferred. See 7th – 10th Grade level sequence of courses.
9. **Involvement** - IB students will be expected to be prepared and participate in class discussions. They will need to present ideas, see relationships, draw conclusions, discuss possible outcomes, listen carefully, and respect other viewpoints.
10. **International Interest** - IB students are expected to be global in interest and focus. They should demonstrate interest in other countries, cultures, global beliefs, and customs.
