Lottery Policy

If the number of applications exceeds the projected number of open seats for any School Choice Program, a lottery will be conducted. Visit the DeKalb County School District website at <http://www.dekalbschoolsga.org/school-choice> for School Choice lottery dates.

All lotteries are conducted online and the software randomly selected from each pool. If number of applicants are more than available seats, a wait list is generated.

Note: Kittredge and Wadsworth lotteries have a pool of applicants per school. Initial lottery is conducted to randomly pick a minimum of 3 students per school. One wait list is generated after the initial lottery and seats assigned as per the wait list number. As and when seats become available, seat placement offers are made based upon the wait list order.

Age Requirement

Applicants applying for preschool through first grade must meet the Georgia Age of Entry requirement. The applicant must be age eligible by September 1st of the current school year.

Attendance/Behavior

School Choice Selections

If desired, applicants may elect to apply for more than one program on the application, a first choice, second choice or third choice. 2nd and 3rd choices are not required. The second and third choice will be considered only if seats become available after the first choice random

lottery. **Once a seat is accepted all other selections and waitlist will be removed.**

Lottery Pools

Only 1st Choices are ran in the initial lottery. The first choice selection under each program/category are entered into the initial lottery. If the school has additional seats after exhausting the first choice lottery, a 2nd and/or 3rd choice lottery will be conducted.

Programs Requiring Standardized Test Scores for Grades 4 - 9 Eligibility

High Achiever Magnet Programs at Wadsworth, Kittredge, Chapel Hill Middle, Chamblee Middle, Southwest DeKalb, and Chamblee Charter High require eligible Standardized M.A.P. test scores to satisfy one of the eligibility requirements. (Review program description for other eligibility criteria.)

From 2016-17 onwards, DeKalb County School District (DCSD) will utilize the Northwest Evaluation Association's (NWEA) Measures of Academic Progress (M.A.P.). This assessment is used to determine eligibility of student applicants in grades 3-9, for entering the random School Choice High Achievers Magnet program lottery. M.A.P. replaces the Iowa Test of Basic Skills (ITBS).

Measures of Academic progress (M.A.P.) is a test administered online. DeKalb resident students who score greater than 75% RT (Reading Total) and greater than 75% MT (Math Total) on the M.A.P. assessment and has greater than a 3.0 GPA in all four core subjects will be eligible to enter the lottery with these requirements.

All enrolled DCSD K-12 students are administered the M.A.P. during the August-September test window. DCSD School Choice department also administers the M.A.P. during a separate session on a Saturday in October to students in grades 3-9 enrolled in private or home school. Information about this free special test session for private and homeschooled students is available on the School Choice website at <http://www.dekalbschoolsga.org/school-choice/> .

The M.A.P. assessment is administered to current students three times per year. DCSD magnet program accepts scores from the baseline test session. **Note: Baseline test is when a student takes the M.A.P. assessment the first time each school year.** Although, the M.A.P. percentile score is valid for two years, only the baseline test score is used for determining eligibility to enter the Magnet program lottery, if applying for a High Achievers Magnet program seat placement offer.

Standardized test scores must be submitted by February 4, 2022. Students tested by a DeKalb County School District school or the School Choice Office do not have to upload test scores with the online application. Private and homeschooled applicants must upload the scores from the first M.A.P. test taken in the Fall of 2021.

Transportation

The most current DeKalb County transportation policy will be followed for the School Choice Programs. During the 2022-2021 school year, students offered a seat in a Theme School, Magnet program, Arabia Mountain School Career Pathway, and Champion Theme Middle School will have transportation services. All other school choice programs do not provide transportation. **Note:** Once parent accepts seat online, transportation information will be
