LAKESIDE RECAPTURES ALL-SPORTS TROPHY

Strong showings in girls cross country, boys and girls swimming and boys soccer helped Lakeside return to the head of the class in the annual DeKalb County All-Sports Trophy race in the 2020-21 school year.

Final All-Sports Trophy Point totals:

1) Lakeside	229.0
2) Chamblee	226.0
3) Dunwoody	222.5
4) Tucker	168.0
5) Druid Hills	164.5
6) Southwest DeKalb	161.5
7) Arabia Mountain	135.5
8) Stephenson	131.0

19) McNair	13.0

VOLLEYBALL HISTORY

Volleyball returned to DeKalb County high schools for the first time in nearly two decades during the fall of 2000 campaign.

Boys and girls on the local level both once played volleyball on a yearly basis from the late 1960s until the sport was finally dropped following the 1980 season.

Led by private school powers Westminster, Marist and Woodward Academy, volleyball remained alive as primarily a metro Atlanta push through the rest of the 1980s and the entire 1990s.

Enthusiasm in the sport continued to pick up steam behind strong showings by the USA men and women on the Olympic and international scenes. The 1996 Summer Olympics in Atlanta, in particular, seemed to generate increased excitement and participation in volleyball.

Cobb County has ranked as the most successful among public schools from the start in the battle for volleyball supremacy. Walton, Sprayberry and Lassiter stand at the top of this crowded list.

Volleyball, however, remains a work in progress outside of the metro Atlanta area. Savannah is one strong exception to this case, with Savannah Christian and Savannah Country Day heading up a long list of eligible and talented entrants.

Athens, Augusta, Brunswick, Carrollton, Cartersville, Dallas, Dalton, Fairburn, Forsyth, Gainesville, Loganville, Monroe, Rome and Villa Rica are among the other areas that have seen dramatic growth among both the public and private school participation in volleyball over the last five years.

The Georgia High School Association (GHSAA) has taken notice of this increased enthusiasm, sanctioning the state tournament for the first time beginning in the 1993 season.

Marist, Woodward Academy and Westminster took turns dominating the state field in an open event for all classifications from 1993-98.

Coach **Sergio Stadler**'s Marist machine claimed a pair of state titles during this period, running the table in both 1994 and 1997. Woodward Academy matched that total with victorious efforts in both 1993 and 1996, while Westminster walked away with the top prize in 1995.

The state championship hunt was opened considerably with the decision to divide the field up into classifications starting in 1998.

Two state trophies were thus up for grabs in both 1998 and 1999, with Walton and Marist claiming consecutive triumphs in AAAA and AAA respectively in those years.

The field was divided even more in the fall of 2000. Four separate prizes were handed out in AAAAA, AAAA, AAA and AA/A.

Walton (AAAAA), Marist (AAAA), Westminster (AAA) and Savannah Country Day (AA/A) earned state crowns in those respective divisions.

Lakeside (7AAAAA) and Avondale (4AAA) shined brightest in volleyball's return to DeKalb County in 2000, claiming area tournament titles in their respective leagues. Cross Keys also earned a sectional tournament berth as the runnerup to Avondale in 4AAA.

Lakeside repeated as Area 7AAAAA champion in 2001, and Redan (7AAAAA), Columbia (1AAAA) and Druid Hills (1AAA) also snared state sectional tournament berths after placing second in their respective area clashes.

A new chapter was added in 2002, as Lakeside became the first DeKalb County school to qualify for the state tournament in AAAAA. Druid Hills joined Lakeside as area champions.

Chamblee, meanwhile, established a new county victory standard during the 2005 campaign, soaring to a stellar 56-8 showing that included a berth in the state Class AAAA Final Four.

Lakeside added another memorable performance to the local list of highlights in 2012, soaring all the way to the state Class AAAAA tournament semifinals on the way to posting a stellar 29-7 final overall record under coach **Angela Thompson**.

Dunwoody joined the select group of DeKalb County squads to shine in the state tournament during the 2013 season, advancing to the AAAAA semifinals behind victories over Warner Robins, Hiram and Apalachee. Coach **Doug Friedlander**'s Lady Wildcats posted a 29-14 final record.

The Lady Wildcats advanced to the AAAAA semifinals again in 2014 and 2015, finishing 43-5 and 37-15 respectively during those memorable campaigns.

2020 VOLLEYBALL IN REVIEW

Covid-19 put a damper on the 2020 volleyball season, as only 12 of DeKalb County's 19 potential participants fielded a team.

There were many positive results, however, that came out of a campaign that eventually saw six of the local squads earn state tournament berths. That's an impressive 50 percent of DeKalb's entrants in the state field.

Lakeside led the way among DeKalb County state qualifiers, as the Lady Vikings were the lone team to register a victory at the big dance while competing in the AAAAAA division.

Coach **Angela Thompson**'s Lakeside unit knocked off Valdosta in a three-game sweep in the first round, posting consecutive dominating triumphs of 25-20, 25-16 and 25-12.

The Lady Vikings earned a date with Richmond Hill in the second round of the AAAAAA draw, falling by a 3-1 count after winning the opening game of the match.

Region 4-AAAAAA runner-up Lakeside prevailed by a 25-15 margin in the first game, only to lose the next three contests by the respective scores of 25-17, 25-19 and 25-17.

The tough defeat still left the Lady Vikings with the best overall record in the county with a final mark of 10-3. Several individual players put together stellar seasons for a Lakeside edition that otherwise lost only to Chamblee (14-25; 25-17; 25-15; 10-25; 12-15) and Westlake (25-21; 21-25; 25-17; 24-26).

Senior **MacKenzie Burke** (38 Aces; 111 Digs), sophomore **Hadley Helenbrook** (51 Aces; 69 Kills; 61 Digs), junior **Anna Vanags** (20 Aces; 26 Kills; 28 Digs), junior **Carly Fiorenza** (12 Aces; 242 Assists; 27 Digs), senior **Macy Daniels** (17 Kills; 17 Blocks) and junior **Anna Withee** (22 Ace; 175 Kills; 68 Digs) shined brightest for Lakeside.

Tucker joined the Lady Vikings as a second state qualifier in the AAAAAA bracket, with coach **Maureen Jekiehl-Harris** guiding her Lady Tigers to a third place regular season showing in 4-AAAAAA.

The Lady Tigers faced a difficult trip to Houston County in the first round of state, eventually getting swept out of the AAAAAA draw by the scores of 10-25, 12-25 and 14-25 on the way to finishing 4-5 overall in the record department.

Chamblee secured a ninth straight state tournament berth, gaining admission by virtue of a third place showing behind St. Pius and Northview in Region 5-AAAAA.

Coach **Lori Reynolds** took her Lady Bulldogs to Apalachee for the first round of the state Class AAAAA competition, where they fell to the hosts by a 3-0 margin in finishing 8-6 on the record end.

All-star senior **Jade Watson** ranked among the county leaders in aces (32), kills (120) and digs (52) in leading the way on the individual end for Chamblee.

Other Lady Bulldog standouts were sophomore **Naa Adua Annan** in kills (36) and digs (12), junior **Samantha Hubbard** (12 Aces; 193 Assists; 17 Digs), senior **Taylor Stone** (21 Aces; 32 Kills; 24 Digs), junior **Samrah Khan** (21 Aces; 95 Assists), senior **Courtney Combs** (11 Aces; 80 Digs), sophomore **Anna Birukova** (12 Aces; 21 Kills; 24 Digs), sophomore **Annie Stidsen** (12 Aces; 26 Assists) and junior **Sarah Duong** (11 Aces; 12 Digs).

Southwest DeKalb also advanced to state for the seventh consecutive season, taking the fourth place seed out of rugged 5-AAAAA.

Coach **Kristina Parrish**'s Lady Panthers earned a trip to Augusta to face Greenbriar in the first round, dropping three straight games by the scores of 7-25, 9-25 and 8-25 in finishing 3-8 overall in the record category.

Senior **Lauren Anderson** (31 Assists; 18 Digs), junior **Natalie Rowe** (24 Kills; 12 Blocks), junior **Adaijah Purdie** (10 Aces; 20 Kills), senior **Tamyra Hunt** (10 Aces; 22 Kills) and senior **Marissa Forbes** (13 Kills; 15 Blocks) reached double figures in at least two categories in leading the Southwest DeKalb individual charge.

Druid Hills put together another solid overall season, placing second to eventual AAAA champion Marist in the final 6-AAAA standings and registering a 6-5 final record.

Coach **Adrienne Johnson**'s Lady Red Devils hosted Cedartown in the first round of the state tournament and fell by a 3-0 margin.

Individual leaders for Druid Hills included senior **Aizja Rawls** (34 Aces; 62 Digs), freshman **Laura Rauber** (12 Aces; 14 Digs), senior **Sydney Bowens** (11 Aces; 36 Kills; 15 Digs) and senior **Takoiya Flemons** (15 Kills; 18 Digs).

Miller Grove earned a state tournament berth for the fourth time in the last seven years, gaining entry as the fourth seed out of Region 6-AAAA.

Coach **Kevin Rogers** and the Lady Wolverines took to the road for a first round date with Heritage of Catoosa, falling by a 3-0 count in finishing the season with a 1-8 final overall mark.

The individual county statistical leaders for the 2020 season consisted of Lakeside sophomore Hadley Helenbrook in aces (3.92 per match), Lakeside junior Anna Withee in kills (13.46 per match), Dunwoody sophomore **Caroline Mattison** in blocks (1.50 per match), Lakeside junior Carly Fiorenza in assists (18.62 per match) and Lakeside senior MacKenzie Burke in digs (8.54 per match).

ARABIA MOUNTAIN HIGH SCHOOL

6610 Browns Mill Road
 Lithonia, GA 30038
 (678) 875-3602

Principal - Tanya Mason
 Nickname - Rams
 School Colors - Hunter Green & White

DIRECTIONS: Follow I-285 to I-20 East. Take I-20 East to Panola Road Exit. Turn right on Panola Road and follow about two miles to Browns Mill Road. Turn left on Browns Mill Road and follow about three miles to South Goddard Road. Turn left on South Goddard Road and follow to school.

REGULAR SEASON AND TOURNAMENT INFORMATION

REGULAR SEASON:

- A. Volleyball is organized on a Region or Area basis with seven (7) state championships. Beginning and ending dates for practice and competition can be found at the front of this publication.
- B. The National Federation Volleyball rules committee has given each state its option about the number of games that determine a match.
1. Region/Area matches shall be best-of-three unless ALL teams in the Region/Area agree (prior to the start of the season) to play best-of-five. Championship matches in the Region/Area Tournament may be best-of-five, and all post-season play after Region/Area Tournaments shall be best-of-five.
 2. Non-Region/Area dual matches may use the best-of-five format on nights before a school day.
 3. In all competitions, the third set shall be played to fifteen (15) points.
- C. Notification of entry in Volleyball must be filed in writing with the GHSA State Office no later than March 1, for the next school year. Schools will be assigned by the GHSA Executive Director to a region or geographic area for competition, and then will be notified of that assignment.
- D. Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.
- E. Playing dates:
1. Schools have a maximum of 18 playing dates regardless of whether or not it is a tournament format or head-to-head competition (each day of a tournament equals one playing date). Region/Area and State playoffs are not counted as part of the allotted playing dates.
 2. An invitational tournament is defined as four (4) or more schools competing in a single or double elimination format that leads to a champion being declared. The use of pool play is acceptable.
 3. The maximum number of days for an invitational tournament is two (2) days.
 4. No school shall enter any tournament unless it has been approved by the GHSA Executive Director.

F. MISCELLANEOUS INFORMATION:

1. In accordance with National Federation rules, the use of artificial noisemakers shall be prohibited.
2. Display of signs (larger than 8.5 x 11 inches) in the stands is not allowed during regular season or post season competition.
3. Competitors must stay in uniform while in the competitive area.
4. All varsity Region/Area Volleyball matches shall be officiated by at least one (1) officially-dressed volleyball official who is registered under the GHSA plan for the registration of officials
5. Each school will have a contract with an officials association for regular season matches, play days and invitational tournaments. The host school will be billed by the official's association for all of the officiating fees for these games, including travel.
6. In accordance with National Federation rules, teams may use multi-colored balls in the regular season and post-season competitions.
7. One coach (head or assistant) may stand in the libero replacement zone to coach his/her team during play.
8. Schools may have tryouts that are limited to a maximum of five consecutive school days between May 1 and the last day students are in school. Students participating must be academically eligible and enrolled at that school or an 8th grader at a feeder school for that school.

REGION/AREA INFORMATION:

Each Region/Area may determine its procedure for selecting and ranking its top four (4) teams for the state playoffs. The Region/Area may use regular season records and not have a Region/Area Tournament. The Region/Area may choose to have either a single-elimination (best 3 of 5) or a double-elimination (best 2 of 3) tournament with schools seeded on the basis of their Region/Area records - or may allow schools to play a non-Region/Area schedule and then be seeded into the Region/Area Tournament. That choice must be submitted to the Region or GHSA Volleyball Area Coordinators before the first competition date of the regular season.

1. All finances (including officials' game fees and travel) will be the responsibility of the Region/Area.
2. Region ticket prices are set by the Region. Area ticket prices are to be set at \$6.00.
3. The GHSA will receive 5% of the gross gate receipts.
4. Results of each Region/Area Tournament must be entered in the GHSA MIS system within 24 hours of the completion of the event, but no later than 9:00 a.m., Monday immediately following the Region/Area Tournament.

REGULAR SEASON AND TOURNAMENT INFORMATION

STATE PLAYOFFS:

The State Volleyball playoffs will consist of five (5) rounds of dual matches. The first three rounds will be held at the site of the higher-seeded team, with the semifinal and championship rounds to be held at neutral sites. (NOTE: A GHSA “universal” coin flip will be held in the event same-seeded teams meet in any round.)

1. All playoff matches will be a best-of-five, single-elimination format.
2. The seeding for the playoffs will be determined by a team’s finish in region/area competition or tournament.
3. Finances for all classes through the Quarterfinal Round will be handled as follows:
 - (a) Ticket prices will be \$8.00 per day.
 - (b) The GHSA will receive 12% of the gross gate receipts.
 - (c) Officials’ fees will be taken from the gross gate receipts and paid by the host school.
 - (d) The visiting team will be paid mileage at the GHSA-approved rate.
 - (e) Any residual funds will be split between the teams.
 - (f) The host school will be entitled to all concession funds.
4. Finances for the Semifinal and Championship matches shall be handled as follows:
 - (a) Ticket prices are TBD and will be published on the GHSA web site.
 - (b) The gate receipts will be sent to the GHSA office.
 1. GHSA will retain 12% of the gross receipts.
 2. GHSA will pay the officials.
 3. Any funds remaining will be disbursed to the competing teams.
5. The number of free admissions for “traveling parties” of participating teams at playoff contests shall be a maximum of 20 players and team essential personnel. Coaches will be admitted with GHSA coaching passes.
6. Line Judges will be supplied by the various officials’ associations for all post-season matches.

ALL-TIME DEKALB COUNTY GIRLS VOLLEYBALL RECORDS

Listed below are the total varsity won-loss records of each school in order of number of victories. These records were provided by the individual schools. Records are incomplete before 1980. Walker and Gordon merged in 1987 and the high school was renamed McNair. Peachtree became a junior high in 1988. Cross Keys and Sequoyah merged in 1989. Henderson and Shamrock were turned into middle schools in 1996.
