## WRESTLING HISTORY

Memorable coaches and a long line of individual and team state championships are just a small part of the illustrious history of wrestling in DeKalb County.

**Sam Black, Sam Edenfield, George Hogan , Mike Godlewski and Ed Winterstein** are among the hallowed coaching figures that made DeKalb County the initial and clear dynasty in this sport in the 1960s.

**Robert Cooley, Pat Watkins, John Allen, Nick Janoulis, Bill Venable, Lee Medwick and Brian Hage** among others added to the impressive local coaching resume in the 1970s, followed by **Chuck Mize, Mike Chonko, Cecil Flowe and Maso Moon** in the 1980s and **Darrell Moore, Mark Adams and Shannon Miller** in the 1990s.

Only a handful of wrestlers have been talented enough to capture four state championships, and DeKalb County boasts two individuals on that list in Briarcliff's **Bucky Harrelson** and Lithonia's **Aarty McGuire**.

Harrelson claimed individual state titles in four different weight classes, starting at 127 pounds in 1961 and continuing at 133 in 1962, 145 in 1963 and 154 in 1964.

McGuire began his equally amazing string at 105 pounds in 1973, and went on to add three more top crowns at 112 in 1974, 119 in 1975 and 126 in 1976.

Black's Briarcliff Barons dominated the sport of wrestling like no other in the early days, winning six straight state team titles from 1962-67. McEachern would later go on to break that record streak in the 1990s.

Along with Harrelson's heroics, **Mike Godlewski, Mike Swanson, Steve Godlewski, Donnie Massey, Ken Curl, Eddie Kalvelage, Randy Lane and Larry Graham** won two individual state crowns each in helping to lead the way during this memorable stretch for a Briarcliff program that also won county seven consecutive times from 1962-68.

Cross Keys, Druid Hills and Avondale served as the primary challengers to Briarcliff in the battle for county and state supremacy in the first six years after wrestling was first officially sanctioned in 1961.

Edenfield guided Cross Keys to the first state team championship in the history of the sport in 1961. The Indians also cracked the top 10 in six of the next seven years in remaining a top power for most of the decade.

Druid Hills finished in the top 10 as a team at state in each of the first seven years. The Red Devils also came the closest to unseating Briarcliff at county during that period, grabbing runnerup honors four straight times from 1965-68. Legendary football skipper **T. McFerrin** served as the head coach in two of those county showings.

**Crawford Kennedy** ran the show for an Avondale wrestling juggernaut that gained a share of the county title with Briarcliff in 1962. The Blue Devils also placed in the top 10 as a team at state on seven occasions in the 1960s.

**Tommy Carlisle, David Cooper, Paul Senkbeil and Charlie Coats** of Avondale and **Bill "The Animal" Glass** of Druid Hills are just a few of the super individual stars that made these schools into top county and state forces.

Walker emerged as the next local power in the late 1960s under the leadership of Hogan. The War Hawks nearly matched Briarcliff's state streak, winning five consecutive crowns from 1967-71. Walker also won three straight county championships from 1969-71. **Ron Harris and Russell Gardner** won two individual state titles to lead the way.

Chamblee and Columbia next took center stage for most of the 1970s, combining to win six consecutive county titles from 1974-79 and six state crowns in the same period.

Cooley's Chamblee powerhouse rose to the top of the county pack five times in the 1970s, winning the top prize in 1974, 1975, 1977, 1978 and 1979. The Bulldogs also topped the AAA state field in 1974 and AAAA in 1979.

**John "Horsemeat" Stewart, Alan Stewart, Cody Conarro, Paul Stewart, Danny Hovey, Robert Hovey and Frank Hovey** are among a large group of state champs that shined individually for Chamblee.

Columbia followed a slightly different path under the leadership of Godlewski, roaring to four state crowns in 1973, 1974, 1976 and 1977. The Eagles, meanwhile, took home their lone county triumph in 1976. **Tip Jimerson, Jay Frost and John Plavcan** paced the individual charge with two state triumphs each.

Stone Mountain in 1969 and Lithonia in 1971 also registered state team victories in the latter part of the first 10 years of wrestling's existence on the high school level.

Towers has ranked as perhaps the most consistent program in the county from the start. The Titans won their lone state title in 1975 under Medwick and have more top 10 team finishes than any team in the county at 28.

**Clay Haydon at 112, Danny Wallace at 126 and Jack Owens at 145** claimed individual triumphs in leading the way for the Titans in the state championship campaign of 1975.

Hage led Avondale to county and state team crowns in 1983 and then proceeded to guide Redan to county titles in 1984, 1985, 1990 and 1991 and a state triumph in 1984.

Mize won a state championship at Redan in 1983, while Columbia topped the AAAA field under Moon in 1988 and Janoulis led Lakeside to the head of the AAA pack in 1997 for the final state victory.

## 2020-21 WRESTLING YEAR IN REVIEW

Covid-19 led to many challenging new obstacles for the sport of high school wrestling, both on the county and state levels a year ago.

All of the regulations and safety requirements forced coaching staffs to be on top of their game as much off the mat as on.

Schools all over the state either reduced crowd sizes or did away with the presence of fans altogether to reduce the threat of spreading the Covid-19 plague.

DeKalb County also made a little history, as the William S. Venable DeKalb County Varsity Wrestling Championship was cancelled in 2021. The event had run 59 consecutive seasons prior to that.

While the disappointment of dropping the annual county event was very real, several local squads still managed to put together strong seasons.

Southwest DeKalb led the way, capturing the lone region team crown among DeKalb County participants. Dunwoody and Miller Grove also shined while soaring to strong region runner-up showings.

An impressive contingent of 10 individuals walked away with gold medals in lifting Southwest DeKalb to a dominating 185-154 point victory over host St. Pius in Region 5-AAAA.

**Cameron Allen** started the victory parade for coach **Keith Johnson**'s Panthers at 106 pounds, followed in order by **Jeunte McCray** at 113, **Jayden Hammonds** at 120, **Alex Dunton** at 132, **Dharrin Smith** at 152, **Hunter Muse** at 160, **Darrion Finley** at 170, **Jerrell Baskins** at 182, **Jimmy Hutchins** at 195 and **Isaiah Scott** at 220.

Southwest DeKalb secured medals in 13 of the 14 weight classes overall, as **Anthony Colquitt** took third at 138, **Malik Colquitt** placed third at 145 and **Timothy Hutchins** struck silver at 285.

Coach **Luke McSorley**'s Dunwoody Wildcats likewise received several stellar individual performances on the way to grabbing second place in the final Region 7-AAAAAAA with 170.5 points to the 241.5 of traditional power Archer.

**Ben Tarrago** at 132, **Ahmed Hooper** at 138, **Joe Dubsky** at 152 and **Tyler Rush** at 195 claimed individual gold to lead the way for the Wildcats.

Other medalists for Dunwoody included **Charlie Mixon** (3rd; 106), **Sam Scotthorn** (2nd; 120), **Max Erfani** (3rd; 126), **David Shapira** (2nd; 145), **Adam Gromatzky** (2nd; 160) and **IJ Lowenstein** (3rd; 170). Miller Grove, meanwhile, trailed only Marist in the final Region 6-AAAA team results. Marist scored 174 points to the 93 of the Wolverines.

**James Terrell** at 160 and **Ethan Brydson** at 285 captured the lone two gold medals for coach **Quincey Bryant**'s Wolverines, while **Chauncey Walton** at 120 (2nd), **Jamal Walker** at 132 (2nd), **Patrick Clay** at 145 (2nd), **Xavian Bowden** at 152 (2nd), **Josh Bowden** at 170 (3rd) and **Jeshun Broddie** at 220 (2nd) ran the total medal haul to eight.

Coach **Jerome Tillery**'s Stone Mountain Pirates received gold medal showings from **Amantee Mills** at 126 and **Jaheim Mills** at 145 in taking third place behind Southwest DeKalb and St. Pius in Region 5-AAAA.

**Dwight Kinsey** at 113 and **Joshua Jones** at 160 added strong runner-up finishes for the Pirates, while **Tun Kar** at 120, **Jacai Binion** at 132, **Julius Binion** at 152 and **Jordan Shannon** at 195 also advanced with third place showings.

Coach **Marvin Jones** and the Arabia Mountain Rams matched Stone Mountain on the team front, tallying 61 points in finishing third behind Marist and Miller Grove in the Region 6-AAAA standings.

**Langston Blakely** at 170, **Brandon White** at 195 and **Kalvin Johnson** at 220 snared gold medal honors in leading the way individually for the Rams.

DeKalb County sent seven teams to the traditional state tournament, with Stone Mountain, Southwest DeKalb and Dunwoody registering the top team finishes.

Mills walked away with a gold medal at 126 pounds to lift Stone Mountain to a county-best state finish of 16th in the final AAAA standings. Shannon also reached the medal stand for the Pirates, securing fifth place at 195 pounds.

Baskins claimed fourth place at 182 pounds to help push Southwest DeKalb to a 25th place team finish in the AAAA competition.

Dunwoody, meanwhile, realized one individual medal result, as Rush placed third at 195 pounds to help the Wildcats take 29th in the AAAA bracket.

# **WRESTLING INFORMATION**

## **GENERAL INFORMATION:**

A. Wrestling will be a state open meet with separate competitions for classes A through 7A. Traditional wrestling teams will compete in Region/Area Tournaments (Classes A through 3A will be divided into eight (8) Areas each, while classes 4A through 7A will be divided into eight (8) Regions each), a State Traditional Tournament and the State Traditional Finals. There will also be separate competitions in Team Dual Wrestling. Beginning and ending dates for practice and competition can be found at the front of this publication.

B. The National Federation Wrestling Rules shall be the official rules for Georgia schools with the exception of any special regulations found in this section.

C. Notification of entry in Wrestling must be filed with the GHSA office no later than March 1 for the next school year. Schools in Classes A through 3A will be assigned to a geographic area by the GHSA Executive Director, and then will be notified of that assignment. Schools in Classes 4A through 7A will compete in their assigned Regions.

D. Free Style and Greco Roman wrestling are considered to be the same sport as Folk Style (high school) wrestling and are subject to GHSA rules concerning illegal practices.

E. A school may enter its wrestling team in competition for twenty (20) playing dates, not including post-season competition. A school may enter its girls wrestling team in competition for six (6) playing dates, not including post-season competition.

NOTE: After December 31, no new wrestling competitions may be scheduled unless approved by the GHSA Executive Director.

1. The maximum number of days for an invitational tournament is two (2) dates.
2. On a day/night preceding a school day, a student may not wrestle more than three (3) matches. On all other occasions, a student may not wrestle more than five (5) matches per day. Forfeits do not count toward the daily match limit.
3. Contestants must have 45 minutes rest between matches.
4. A wrestler may wrestle in both a varsity and a sub-varsity match on the same day as long as that wrestler does not exceed the maximum number of matches allowed for that day.
5. It is permissible for coaches to use "split squads" during the regular season. However, the use of split squads will count as two (2) of that school's maximum allowed competitions.

F. Beginning and ending dates for practice and competition can be found at the front of this publication.

1. A school shall not allow its team to engage in any interscholastic exhibition, practice, and/or scrimmage match, except for one (1) interscholastic scrimmage consisting of a Tri-match on a school night or a Quad-match on a non-school night format with officials registered with the GHSA.

2. A practice shall involve only eligible students in the member school and their approved coaches. Participation by outside individuals constitutes an illegal practice.

3. Wrestling matches in practice must be conducted in adherence with National Federation and GHSA rules, and will involve only eligible team members.

4. Schools having contestants in the State Tournament may provide a teammate of comparable size to practice for the State Tournament.

5. There will be no Spring practice for Wrestling.

G. Weight classifications shall be as follows:

106 lbs. 132 lbs. 160 lbs. 195 lbs.

113 lbs. 138 lbs. 170 lbs. 220 lbs.

120 lbs. 145 lbs. 182 lbs. 285 lbs.

126 lbs. 152 lbs.

Girls weight classes for girls-only tournaments shall be as follows:

102 lbs. 132 lbs. 162 lbs. 197 lbs.

112 lbs. 142 lbs. 172 lbs. 225 lbs.

122 lbs. 152 lbs.

1. When there are consecutive days of team competition, there shall be a one (1) pound additional allowance granted each day for all wrestlers (up to a maximum of two (2) pounds for any weigh-in). In order to be granted this one (1) pound additional allowance, a minimum of 48 hours advance notice is required for the opponent(s).

2. The GHSA does not approve any practice that endangers the health and safety of wrestlers. Crash dieting, the use of diuretics and other drugs for rapid weight reduction, the use of a sweat box, any type of vinyl or plastic sweat suit or bag, hot showers, whirlpool, or any other type of artificial heat device for rapid weight reduction is prohibited.

3. Effective for ALL weekday meets and tournaments, all weigh-in procedures of the National Federation (Rule 4-5) will apply.

4. In tournament competitions (regular season dual and invitational, and the State Championship series), wrestlers shall not have an option to weigh-out at the conclusion of the first day of competition. All weigh-ins shall take place prior to the start of competition each day.

## **WRESTLING INFORMATION**

5. All contestants may engage in legal weight loss activities on site until weigh-ins begin. Once weigh-ins begin, activities that promote weight loss/dehydration or weight gain are prohibited. Contestants shall not leave the designated weigh-in area unless permission is granted by the school administrator or meet director.

6. Only two (2) certified coaches (affiliated with the school of the athlete on the mat) will be allowed at mat side during regular season tournaments and at the Region/Area Tournament, State Tournament and State Finals.

H. Coaching requirements:

1. All coaches are required to complete the GHSA/NFHS Wrestling Rules Clinic which includes the policies and procedures for the “Wrestling Weight Management Program” presented online via the GHSA web site.

2. Failure to abide by the above requirements will result in fines assessed against the school.

3. Prior to all competitions, coaches must present a properly-dated weigh-in roster (created no more than three (3) calendar days prior to the event) to the head official, demonstrating that the Weight Management Program is being followed.

I. All wrestling matches shall be held with officially-dressed wrestling officials who are registered under the GHSA plan for the registration of officials.

1. Before each meet, the referee shall perform skin checks and sign a verification form.

2. The referee shall also check for items outlined as pre-meet duties for officials in the NFHS Wrestling Rules Book.

J. Appropriate health-care professionals shall be available at all wrestling tournaments.

K. Communicable Skin Disorders:

1. The GHSA strongly recommends that wrestling mats be left unrolled during the competitive season, and be disinfected a minimum of three (3) times per week with a medically-approved cleansing solution.

2. In the event an athlete develops a skin disorder or skin lesion that is considered contagious, the school must complete and provide the “Physician’s Release for Wrestler to Participate” form. No other form of documentation will be accepted at the site of the competition. The release form is to be presented by the coach at the weigh-in or prior to competition. NOTE: The form and information can be found on the GHSA web site ([www.ghsa.net](http://www.ghsa.net)).

L. When a coach is charged with a flagrant misconduct penalty, that individual must go to a location outside the “sight and sound” of the competitive area, and can have no interactions with wrestlers or any other team personnel (removal from premises).

### **WEIGHT MANAGEMENT PROGRAM:**

A. All GHSA wrestling schools will participate in the mandatory and binding “Weight Management Program.”

B. Schools must enter weigh-in results in the computerized weight management program (OPC) within 48 hours of each weigh-in or before the next scheduled contest (whichever comes first). An athlete’s weight descent plan ends on the Last Play Date indicated on the Beginning and Ending Dates table at the front of this publication; it is not necessary to enter Region/Area Traditional tournament weights into the OPC.

C. The “Wrestling Weight Management Coaches Handbook,” which contains details of program guidelines and forms, will be posted on the GHSA web site.

D. Schools must have all scales used for wrestling weigh-ins certified annually by the Georgia Department of Agriculture (Fuels and Measures; 404-656-3605).

## **TEAM DUAL WRESTLING**

### **GENERAL INFORMATION**

A. Team Dual Wrestling will be a state open meet with separate competitions in all seven classifications. NOTE: The seeding committee will seed teams before the State Dual Elite Eight.

B. National Federation and GHSA rules governing Traditional wrestling are in effect for Team Dual Wrestling.

C. GHSA weight certification policies will apply to Team Dual Wrestling.

D. Athletes may not wrestle at a weight class lower than allowed by the “Weight Loss Plan” of the GHSA Weight Management Program for that date.

E. All wrestlers must weigh-in at each weigh-in of a multiple-day event, and they must weigh-in at the same weight class each time.
