DEKALB COUNTY'S FIRST DOMINATING GIRLS SWIM PROGRAM

Lakeside and Dunwoody have long been recognized for their dominating girls swimming programs, combining to win 26 and 18 respectively of the 52 county team championships since the event was first held in 1971.

Another local school, however, actually served as the original DeKalb County power.

Briarcliff is the school in question here, one that is no longer in existence but is still remembered for producing powerful girls swimming programs in the 1960s and the first half of the 1970s.

Long-time head football coach **Frank Hixon** served as the lead skipper of most of those memorable swimming powers.

The Lady Barons claimed the first three state championships for girls teams from DeKalb County under Hixon's leadership in 1962, 1964 and 1968.

Along with the early state success, Briarcliff also captured two of the first three county girls team championships in 1971 and 1973.

Diane Zelack served as the initial Lady Baron star on the county level, soaring to the first gold medal in the diving competition in 1971 with 270.30 points.

Briarcliff scored 208 points as a unit to narrowly defeat Lakeside's 195 total in winning that inaugural county team crown.

The same two local powers would battle it out for county team honors two years later in 1973, with Briarcliff again prevailing over Lakeside by a final margin of 219 to 214.

Pam Maither and **Julie Langley** shared first place honors in the 100 backstroke in 1:13.00, while **Jackie Mickle** secured individual gold in the 100 breaststroke in 1:21.00 and the 200 medley relay team also took first place in 2:10.50.

Steve Spellman, who would later fill the principal role at St. Pius for many years, served as the Lady Baron head coach for those 1971 and 1973 championship teams.

16) Towers	105.0
17) Stone Mountain.....	103.0
18) Cross Keys	61.0
19) McNair.....	49.5

SWIMMING HISTORY

State championships in swimming have been officially sanctioned by the Georgia High School Association for 87 years, with old Boys High securing the first boys team title in 1932.

Boys High continued to be a dominating force in the early days, winning a combined total of six more state crowns in 1934 and from 1941-45 to run its overall total to seven in the first 14 showdowns.

Old Athens High School served as the main challenger to Boys High during this period, securing all or part of six consecutive state crowns from 1935-40. Blue Ridge shared the crown with Athens in 1940.

Georgia Military Academy then took over as the clear leader in 1946, roaring to the first of its eight straight state boy's titles that extended over through the 1953 season.

The initial girls state championship meet was conducted in that same 1953 campaign, with Decatur soaring to the first of what would turn out to be three consecutive top finishes.

Athens returned to the lead position on the boys end in 1954, besting the field for the first of four consecutive state trophies. Athens later won state for the 11th and last time in 1965.

Westminster would break that state championship record total, registering triumphant performances in 1958-61, 1972, 1974, 1975, 1979, 1980, 1985, 1986, 1988-91, 1997, 2003-08 and 2015 for 23 overall top showings.

The girls state championship history has also been dominated by a Westminster program that claimed victorious outings in 1963, 1965-67, 1972-74, 1982, 1984, 1990, 1991, 1994, 1999, 2001-06, 2012 and 2013 for 21 total trophies.

DeKalb County, meanwhile, broke into the state elite in the 1960s, starting with Briarcliff's championship performance on the girls end in 1962.

The Lady Barons served as the dominating force on the local side for most of the decade of the 1960s, later adding two more state trophies in 1964 and 1968.

Briarcliff's winning effort in 1968 began a DeKalb County reign among girl's entrants that saw local teams claim 15 state championships in 20 years through the 1987 season.

Lakeside took over as the next clear power in this loaded contingent, as the Lady Vikings collected six top finishes over a 13-year period that ended in 1981. The first winning effort came in 1969, followed by five more triumphs in 1970, 1971, 1977, 1978 and 1981.

Dunwoody then rose to power in rapid fashion after initially opening as a school in the fall of 1971. The Lady Wildcats walked away with the first of their six eventual state crowns in 1975. Five additional top finishes were realized in 1976, 1983 and 1985-87.

Neighborhood rival Peachtree stole some of the glory from Dunwoody and Lakeside in the late 1970s, winning two consecutive state crowns in 1979 and 1980.

Chamblee ended a 32-year drought for girls state titles in DeKalb County in 2019, scoring 262 points to narrowly defeat St. Pius (256) and Columbus (255) on the way to claiming top team honors on the AAAAA level.

The overall DeKalb County girl's state championship haul thus lists Dunwoody and Lakeside tied for first with six each, followed by Briarcliff (3), Peachtree (2) and Chamblee (1).

Dunwoody has secured the majority of the limelight on the boy's side of the competition. The Wildcats are the lone local school to capture a state boy's title, winning three straight from 1976-78 and one final time in 1984 for a total yield of four.

DeKalb County thus has claimed 21 total state championships in swimming, a mark that ranks among the most impressive of any county in the state.

Gwinnett County (25), Clarke County (13), Fulton County (10) and Cobb County (8) are the only other public school systems with multiple state champions, with only Gwinnett ranking ahead of DeKalb County in the total picture.

The DeKalb County meet has proven to be equally competitive and entertaining over the years, with a handful of schools again serving as the dominating forces.

Lakeside has surpassed Dunwoody in terms of overall county team triumphs, claiming 21 boy's titles and 26 girl's crowns since 1972. The Vikings thus have won 47 total first place team trophies in the 49 years of the event.

Dunwoody ranks second in the race for county honors. The Wildcats have secured 14 boys championships and 18 girl's triumphs for 32 overall.

Redan actually ruled the local boys roost for most of the 1980s, winning or sharing seven county titles in the eight years from 1979-86. Five of those triumphant outings came in succession from 1982-86. The Raiders also shared the top trophy with Peachtree in 1979 and won again in 1980.

The girls program at Redan also soared to the top of the pack on one occasion during this period, snaring county team honors for the first and only time in 1984. That victory gave Redan a sweep of the annual county battle.

Chamblee (6) and Henderson (2) have also realized multiple boy's championships, while Briarcliff (2), Chamblee (2) and Stone Mountain (1) have also soared to the top of the local ladder on at least one occasion on the girls end over the 49-year history of the event.

Lakeside has posted the longest county winning streaks, as the boys snared nine straight team crowns from 2004-2012 and the girls put together an amazing string of 14 consecutive victorious outings from 1997-2010.

Dunwoody ranks second in both of those categories, as the Wildcat boys took seven straight county titles from 1989-95 and the Lady Wildcats topped the local girls waters on 11 consecutive occasions from 1986-96.

2021-22 SWIMMING YEAR IN REVIEW

Another dominating performance at the state meet by the Chamblee girls team served as the top highlight among many for DeKalb County swimming squads in the 2021-22 campaign.

Coach **Lorri Reynolds** and the Lady Bulldogs narrowly missed out on capturing a second state team crown in the last four years, finishing with 374 points in placing just five points behind the 379 total of class AAAAA/AAAA champion St. Pius. Marist made it a three-team fight from DeKalb County, taking third with 352 points.

All-star senior and Auburn University signee **Kyla Maloney** led the way on the individual front, soaring to a pair of gold medals in the 200 freestyle (1:52.08) and 100 backstroke (54.46).

Promising junior **Evelyn Entrekin** also turned in a memorable individual performance, touching the wall in first in the 100 breaststroke (1:03.55) while adding a silver medal in the 200 IM (2:05.33).

Super senior **Anna Beth Blankenship** closed out her high school career in style, soaring to stellar showings of second in the 100 freestyle (52.06) and 100 breaststroke (1:04.63).

Sophomore **Lilly Smith** gave Chamblee four swimmers with a pair of top 10 individual finishes, posting strong efforts of fifth in the 100 backstroke (58.42) and eighth in the 100 freestyle (54.14).

Sophomore **Hailey Hamilton** also scored high in two separate individual events, registering strong finishes of seventh in the 500 freestyle (5:26.26) and 12th in the 200 IM (2:19.25).

Senior **Catherine Smart** rounded out the list of top 10 individual Lady Bulldog placers, rumbling home in ninth in the 50 freestyle (25.45) while also taking 17th in the 100 butterfly (1:01.67).

Senior **Annie Wahlen**, junior **Madeline Murphy** and sophomore **Sonia Peters** also made the state trip and competed in two individual events, and senior **Lili Maas** saw action in the 50 freestyle.

Chamblee proved to be even more impressive in the relay events, sweeping to a pair of gold medals in the 200 medley (1:45.30) and 400 freestyle (3:34.48) while also picking up a bronze medal in the 200 freestyle (1:40.88).

Maloney, Blankenship, Entrekin and Smith made up the victorious 200 medley, and Maloney, Entrekin, Blankenship and Smart teamed up for gold in the 400 freestyle. The bronze medal 200 freestyle relay team consisted of Smart, Wahlen, Murphy and Smith in that order.

Lakeside's girls also turned in a stellar showing in the AAAAAA competition, tallying 248 points to finish a super third behind Lassiter (544) and Cambridge (339).

Coach **Tricia Newmyer**'s Lady Vikings registered seven top 10 individual performances, and all three relay teams also cracked the top 10.

Sophomore **Sophia Hook** shined brightest among the many individual standouts, touching home in second in the 50 freestyle (24.06) and fourth in the 100 freestyle (52.73).

Senior **Phoebe Mansker** posted a super final high school state meet outing, rumbling to the finish in third in the 100 breaststroke (1:05.57) and fifth in the 200 freestyle (1:56.03).

Sophomore **Lyla Richards** joined Hook and Mansker with two top 10 individual finishes, sailing to the wall in fifth in the 200 IM (2:10.72) and seventh in the 500 freestyle (5:11.38).

Sophomore **Katelyn McClintock** posted the final top 10 Lady Viking individual finish, snaring sixth in the 100 butterfly (58.77) while also securing 11th place in the 100 backstroke (1:00.72).

Other Lakeside individual state competitors included senior **Olivia Rotolo** (200 IM; 500 freestyle), senior **Audrey Bender** (100 freestyle; 100 breaststroke), freshman **Anna Baldwin** (50 freestyle; 100 freestyle) and freshman **Ansley Ackert** (100 butterfly; 100 backstroke).

The Lady Vikings also picked up key points in all three relay events, walking away with second place in the 200 freestyle, fourth in the 400 freestyle and ninth in the 200 medley.

Relay team members featured McClintock, Mansker, Baldwin and Hook in the 200 freestyle, McClintock, Richards, Mansker and Hook in the 400 freestyle and freshman **Caroline Manzi**, Bender, Richards and Baldwin in the 200 medley.

Chamblee also cracked the top 10 in the final state Class AAAAA/AAAA team standings, as coach **Greg Valley**'s team took home fourth with 234 points.

Senior **Thomas Rice** led the way individually for the Bulldogs, registering the strong showings of second in the 500 freestyle (4:46.43) and ninth in the 200 IM (2:00.82).

Freshman **Ian Combs** also cracked the top 10 of two individual races for Chamblee, placing ninth in the 100 backstroke (56.77) and 10th in the 200 freestyle (1:50.83).

Coach **Scott Danielson**'s Lakeside boys posted a super sixth place team showing in AAAAAA, as junior **Craig Steinhauer** finished second in the 50 freestyle (20.97) and third in the 100 freestyle (46.48) to lead the way individually.

Senior **Jack Van Valkenburg** proved to be equally impressive for the Vikings, snaring a silver medal in the 500 freestyle in 4:34.65 and eighth place in the 100 backstroke in 53.06.

Lakeside also shined in the relay events, soaring to the wall in third in both the 200 medley in 1:36.99 and 200 freestyle in 1:27.73.

Dunwoody likewise received strong efforts on the individual front, paced by seniors **Ryan Altera** and **Evan Shine** and freshmen **Luke Amerson** and **Luke Sandberg**.

Altera posted stellar showings of fifth in both the 200 freestyle (1:42.60) and 500 freestyle (4:39.83), while Shine took eighth in the 100 freestyle (47.94) and 14th in the 50 freestyle in 21.90.

Amerson walked away with solid finishes of 10th in the 100 backstroke (53.96) and 14th in the 200 IM in 1:55.43, and Sandberg showed equal promise in his high school state meet debut with placings of 12th in the 200 freestyle (1:45.51) and 18th in the 100 freestyle (49.28).
