

VISIT THE NEW DSTV WEBSITE

DeKalb Schools TV (DSTV) is proud to announce that a new cablecast television server has been installed. This new server will give us high-definition video-on-demand along with live streaming. TV programs to be streamed include BOE meetings and special events such as graduation. Here are some additional benefits:

- Fully functioning good news bulletin board and weather updates
- Upcoming TV schedule for the week
- New DSTV webpage
- High Definition viewing with full screen
- Twitter updates

*Comcast Channel 24 is in the process of installing underground fiber for the broadcast connection.
