Pin Design Contest

for the Georgia Science & Engineering Fair

Deadline for entries is January 15, 2019

Design this year's Georgia Science & Engineering Fair pin and win \$150!

Middle and high school students who participate in the statewide Georgia Science & Engineering Fair each receive a commemorative pin that represents science and the state of Georgia. The winning design will also be featured on the cover of the 2019 GSEF program booklet.

← Check out previous years' winning designs!

CONTEST RULES:

1. All Georgia middle and high school students aged 11-19 may enter. You do not have to do a science project to qualify.
2. One entry per student.
3. Use the template provided on page 2.
4. Include "2019" and either "Georgia" or "GA."
5. Use no more than five (5) colors (white counts as a color) plus black borders.
6. You may create the design on the computer or using markers, crayons, pencils, or paint. No clip art or copyrighted characters/designs may be used.
7. Use "coloring book" style: define solid areas of color outlined by fine black borders. No gradient shading. Sections will be filled with enamel.
8. Email your entry to gsef@georgiacenter.uga.edu or mail to:

GSEF Pin Contest
UGA Center for Continuing Education
1197 S. Lumpkin St, Ste 198
Athens, GA 30602-3603

HINTS & TIPS:

- Emphasize science and appeal to both male and female science and engineering students.
- Draw neatly. The designs will be judged on how nice they will look on the enamel pin and the cover of the program booklet with little or no "touch ups." Designs that are more polished, use crisp lines and backgrounds, and look "camera ready" are more likely to be selected.
- Be creative! The top pin designs are those that stand out from the rest as cleverly depicting science and the state of Georgia.
