DeKalb School of the Arts

2020-2021 Application

Dear Parents and Students,

Thank you for your interest in applying to DeKalb School of the Arts (DSA). Our school is truly dedicated to its mission statement: To provide the highest quality education through academics and the arts. The academic and arts curricula combine to create a rigorous and demanding program which prepares students for a successful future after high school. DSA is part of the DeKalb County School District's Magnet Program.

With increased demands on students' time by the arts programs, students must enter DSA with a strong work ethic and academic base. DSA follows an alternating block schedule (8 classes total: 4 on A day, 4 on B day), so students will need to keep track of assignments and material needs. The DSA faculty is committed to academic success for all students, but students must do their part in completing assignments, asking for help, and completing assignments after absences. *This is a rigorous program – please carefully examine your child's current academic success, work ethic, levels of support needed, potential to be an independent learner, and family commitment in order to continue being successful in a fast paced and energetic high school setting as your family considers applying for DeKalb School of the Arts.*

DeKalb County School District (DCSD) magnet students must maintain an 80 numerical average each semester, earn 71 or higher in all classes and meet promotion requirements. If students earn lower than 71 in a class or the numerical average falls below 80, one probationary semester is allowed to strengthen academic achievement. In addition, DSA students must earn two production credits a year to remain in the program.

The size of DSA's program (430) affords students a "small school" atmosphere, but access to a wide variety of academic and artistic curriculum. Class sizes range from 15-35 depending on the level and course. Students in the Gifted Program are enrolled in at least one gifted class to meet state guidelines. Accelerated math and Advanced Placement (AP) level classes are offered. Due to teacher allotment for DSA's programming, sections of each course are limited which places restrictions on scheduling options. Each student's schedule is carefully managed to meet his/her diploma choice and artistic needs while maintaining state and district guidelines for graduation.

Students at DSA are expected to practice self-discipline as well as academic and artistic discipline. First and foremost, DeKalb School of the Arts is a public school within the DeKalb County School District. Students are held to the same code of conduct, regulations and range of consequences as any other DCSD student. Students are expected to follow all DCSD policies on school grounds, buses and performance venues.

The artistic programs at DSA offer students a wide range of experiences from dance to technical theater. Students must earn a minimum of two production credits a year (on-stage and behind-the-scenes). Acceptance

into DSA does not guarantee students a place “on-stage” or in a top performing ensemble at first try. Most students audition several times before being placed in the spotlight. Feedback from auditions allows the experience to be one of growth and learning. Students continue to study, practice and polish those skills needed to be placed in productions. The DSA staff is committed to the continued growth and development of talent. Many classes, such as chorus, band, orchestra, media and art, offer students performance opportunities within the class structure. Students are expected to enroll in the courses which support their audition areas throughout their DSA career.

Each spring, students go before an “Arts Review Board.” The arts staff meets with each student to evaluate his/her progress in the program. Grades, production credits, level of commitment to the program, declaration of major/minor and future plans beyond DSA are reviewed. The counselor also meets with each family annually to track graduation requirements, course sequencing, and post-secondary planning.

A variety of extracurricular opportunities are available for students: newspaper, yearbook, Beta Club, Student Government Association, Thespian Society, etc. *Students for the Performing Arts* (SPA) is a unique student organization at DSA. SPA acts as the student “booster club” for the arts. The SPA Banquet at the end of the school year is a special night to recognize outstanding student performances within the arts program. School dances, prom and other social events are offered like those in more traditional high schools. Class dues and yearbook fees can be expected. **DSA does not offer sports, marching band, drill team, cheerleading or Drivers’ Education.** Students may participate in their home school’s sports program, but no other home school extracurricular activities (i.e cheerleading, marching band, robotics). The 2020-2021 budget will determine if any transportation is available for school choice programs.

Students entering DSA in the 10th, 11th or 12th grades must be enrolled for at least one school year before eligibility is earned to participate in Georgia High School Association sponsored events (One-Act Play Competition and Literary Meet).

Parents and the PTSA are vital components of the overall DSA program. Parents are expected to volunteer 20 hours per semester and are encouraged to participate in PTSA fundraisers. Through the PTSA, supplemental materials and programs are provided across the curriculum. Parents may earn volunteer hours by assisting with productions (box office, supervision, construction), sharing talents (sewing, master classes, guest lectures), assisting in the office, and chaperoning on field trips.

DSA graduates matriculate to some of the most prestigious post-secondary schools in the United States (UCLA, Harvard, Bard, University of Pennsylvania, MIT, Fordham, SMU, FSU, Boston University, USC, North Carolina School of the Arts, Howard University, Hampton University, Tuskegee, and University of Alabama). In addition, students are accepted to Morehouse, Spelman, Emory, Georgia Institute of Technology, University of Georgia, Agnes Scott, and Savannah College of Art and Design. DSA graduates become professional dancers, actors, singers, doctors, lawyers and teachers.

The DeKalb School of the Arts experience is unique and rigorous. It requires a commitment from both students and parents to maintain high standards. If you require more information or have questions regarding the program, please contact the school.
