***Our aim is to create an environment
where all students strive to reach
their highest potential.***

Chamblee Charter High School (CCHS) was established in 1917 and is one of DeKalb County's oldest schools. CCHS was accredited in 1935 and became a Charter School in 2001. We moved into our new building in January 2014 and our Fine Arts building in August 2014. Our mission is to foster the intellectual, social, moral and physical growth of every student. Chamblee Charter High School includes grades 9 - 12. Our student body is culturally and economically diverse. Currently, we have 1752 students including 400 plus in the Magnet Program.

Our extensive curriculum serves a variety of programs available at Chamblee. The Magnet Program for High Achievers, the Gifted/Impact Program, Army JROTC, Advanced Placement courses, Move on When Ready, and services for English Learners and students with disabilities allow our students to thrive. For the more technically oriented student, CCHS offers several career pathway programs:

- A/V Technology & Film
- Intro to Business & Technology
- Computer Science
- Drafting/Engineering Graphics
- Financial Literacy
- Foundations of Engineering & Tech
- JROTC
- Food, Nutrition & Wellness

Our excellence is further illustrated by our award winning band, orchestra, chorus, drama, art, photography, student newspaper, literary magazine and yearbook. Our students have the opportunity to participate in a variety of the 65 plus clubs, honor societies, extracurricular activities, and competitive academic teams including Math Team, Science Olympiad, Robotics, We the People, Debate Team, Quiz Bowl, and Mock Trial. In addition, students at CCHS demonstrate a commitment to serving others at school and in the community.

DeKalb County Schools have a two-semester calendar year. At CCHS, students follow a traditional daily schedule with 7 classes of 50 (approx.) minutes each. Regular progress reports are issued. Infinite Campus allows online access to grades and assignments. Cumulative Grade Point Averages in DeKalb County are calculated: A=4 pts., B=3 pts., C=2 pts., D=1 pt., F=0 pts. AP and dual enrollment courses yield a weighted GPA: A=5, B=4, C=3, D=2, F=0. Final exams are scheduled the last 3 days of each semester.

During the year, time is set aside for parent-teacher conferences. Parents are encouraged to take advantage of this time to discuss their child's progress with the teachers. Parents can meet with teachers at scheduled Parent Teacher Conference Nights or by appointment.

Our faculty includes 95 teachers, 12 paraprofessionals, one principal, five assistant principals, five counselors, and one media specialist. A total of 30% of our faculty have gifted certification. Our professional educators and our 41 dedicated support staff contribute to the continued success of our school.

We are fortunate to have a very involved PTSA and Governing Board. Both groups support the school in academic and social activities. The PTSA provides cultural arts programs during the school year in addition to fund-raising and extracurricular activities.

Our PTSA Co-Presidents for the school year 2020-2021 are Cass Herbert and Kristen Logan. Our Governing Board Co Chairs are Billy Joyner and Alex Teh. We welcome you to join our PTSA and Governing Board Committees. Please visit us at the DeKalb County School District website, or at chambleehs.dekalb.k12.ga.us

We appreciate the continued support of our own non-profit 501(c)3 supporting CCHS, the Blue & Gold Foundation, www.chsblueandgoldfoundation.org.
