TUCKER HIGH SCHOOL
INTERNATIONAL BACCALAUREATE
CAREER RELATED SERVICES PROGRAMME
PROGRAMME GOALS

The IB Career-related Programme (CP) is designed for students who wish to complete a career pathway with in-depth study of academic subjects, career-related research, service learning, second language development, and a unique Personal and Professional Skills class. This is a rigorous, advanced, and challenging program of study and the only one of its kind that combines career studies with highly rigorous, inquiry-based academic study.

ADMISSIONS REQUIREMENTS

- Maintain a cumulative GPA of at least 3.0 (or 83%) after completion of the eighth grade
- Complete all 9th and 10th grade core pre-requisites
- Submit two favorable teacher recommendations from core subject teacher
- Complete the application student packet with parent/guardian approval

For additional admissions requirements, please see the school choice or Tucker HS website.
