### Supply Chain Update

School Nutrition Services is currently  
facing unprecedented supply chain  
shortages.

Please know that we are working closely  
with our vendor to secure the food and  
supplies needed to support our program.  
While it is our goal to serve the posted  
menu each day at every school, this may  
not be possible until the supply chain  
issues are resolved. Please know that we  
will work hard to find the best possible
