

Are you ready to become a FLEX Academy student? Here's how the process works.

STEP 1: Student/Parent meets with their local school counselor to determine course needs.

STEP 2: Your local school counselor submits a FLEX Registration Request to FLEX Academy.

STEP 3: FLEX Academy schedules your course(s) in Infinite Campus. If your course(s) require tuition, it must be paid **before** FLEX adds the course(s) to your schedule.

STEP 4: FLEX Academy courses appear in VERGE 24-48 hours after they are scheduled in Infinite Campus.

STEP 5: You can begin working on your FLEX coursework. Remember, you can access your FLEX course(s) **24 hours a day/7days a week**.
