

# YEAR 1 RESIDENCY

## AT A GLANCE

### MASTER'S DEGREE

Alternative certification program where residents complete a Masters of Arts in Teaching from an accredited University in 1 year.

### FULL-YEAR CLINICAL EXPERIENCE

Rigorous apprenticeship begins right away in July, and residents take on more instructional responsibility throughout the year, alongside an experienced Mentor.

### COHORT MODEL

Be with diverse individuals who are just as inspired to make a difference in education. With this cohort model, residents feel supported and have the opportunity to build their professional network.

### ONE-ON-ONE COACHING & SUPPORT

Residents receive personalized feedback and support from a mentor teacher daily, and grow their professional learning with the support of a Talent Development Coordinator.

### JOB PLACEMENT

Pipeline of highly-effective teachers who are familiar with the district and students, committed to work 5 years in Horizon Schools .
