Primary Criteria

1. Geographic Proximity
2. Instructional Capacity
3. Projected Enrollment

Secondary Criteria

- | | |
|----------------------------------|--|
| 1. Safety and Traffic Patterns | 4. School Feeder Alignment |
| 2. Previous Redistricting | 5. Intact Neighborhoods |
| 3. Balancing of Special Programs | 6. Efficient and economical operations |

Small Group Focus Questions

1. What traffic concerns do you have that may impact the safe and timely transportation of students to and from schools?
2. What community areas, such as homeowners or civic associations, should be considered as intact neighborhoods?
3. What residential development are you concerned will influence the enrollment forecasts?
4. To better balance over-crowding in the Dunwoody Cluster, should the new Austin ES open with portable classrooms next Fall? Why or why not?

Basic Ground Rules for Facilitation Participants

- Staff can only consider input related to the criteria listed above
- School system staff commits to receiving and considering all appropriate input
- Staff must balance multiple perspectives and logistical limitations in developing alternatives, not all input can be accommodated
- Please respect each other’s opinions
- Submit all questions in writing via note cards, website, mail, or e-mail (listed below)
