Rockbridge ES Dual-Language Immersion Program

DeKalb County School District

Mrs. Ramona Tyson,

Interim Superintendent

French Dual-Language Immersion

In 2020-2021 the District will continue the Rockbridge dual language immersion articulation by expanding the dual language immersion program at Stone Mountain Middle School to include grades 6-7.

The District implements a 50/50 immersion model in the elementary program. Students study math, science, social studies and literacy in French. Using English, the students will study literacy, and receive math, science and social studies support. In the middle school, students study Advanced Language and Literacy and World Studies.

The immersion program provides important benefits to students in the areas of cognition, achievement, and linguistics. Students will possess a skill that creates a professional competitive advantage, making them more attractive to colleges, career and technical programs, and employers.

Goals of DSCD Immersion

- Improve literacy skills
- Increase academic achievement in all areas
- Increase achievement in reading and mathematics
- Instill cultural competence
- Prepare students to be sensitive and skilled when working with others across cultures
- Prepare students to be collaborators
- Prepare students to enter the global workforce

Parental Commitment

- Make a six year commitment to the program (grade K-5)
- Participate in educational activities which will support the educational program
- Provide a home environment that reinforces the goals of the program

School Choice Open Enrollment

Eligibility

Age appropriate

Kindergarten students and a limited number of First Grade seats may be available

Registration

January 7-February 7, 2020
Late Applications Accepted:
February 8-August 30, 2020
