

**M.A.P. Test**  
**Sign-Up Information Sheet for Private and**  
**Home-Schooled DeKalb County Resident**  
**High Achievement Magnet Program Applicants Only**

The DeKalb County School District (DCSD) uses the Northwest Evaluation Association's (NWEA) Measures of Academic Progress (M.A.P.) as the assessment to determine eligibility of student currently in grades 3-9, for entering the random School Choice High Achievers Magnet program lottery for the 2024-2025 school year.

Measures of Academic progress (M.A.P.) is a test administered online. DeKalb resident students who score 75% or higher on the Reading RT (Reading Total) and Math MT (Math Total) on the M.A.P. assessment in addition to a 3.0 or higher GPA in all four core subjects will be eligible to enter the lottery.

Read below for important information:

- Use this link <https://survey.sogolytics.com/r/XrSCb3> code to access the online sign-up tool. You may sign up for one testing session. **Testing slots are limited.**

- Students will take one Reading test and one Math test during the testing session.
- Students will have approximately 180 minutes (combined) to complete both tests, additional time will not be given.

DCSD magnet program accepts scores from the current school year's baseline test session. **Note:** Baseline test is when a student takes the M.A.P. assessment the first- time each school year. Although the M.A.P. percentile score is valid for two years, only the baseline test score for the current school year is used for determining eligibility to enter the Magnet program lottery if applying for a High Achievers Magnet program seat placement offer.

**Note:** DCSD is unable to provide a test score report for a home schooled or private school student, since the student is not enrolled in a DCSD school. However, test scores will be shared with applicants via email by the close of business on December 15th. Test scores will be manually verified when a school choice application is submitted. Information for this test session for private and homeschooled students is available on the School Choice website at <http://www.dekalbschoolsga.org/school-choice/>

If you have any questions about the M.A.P. assessment, contact the Research, Assessments and Grants Department at <http://www.dekalbschoolsga.org/assessment-and-accountability/> or call 678-676-0300.
