German Dual-Language Immersion

In 2024-2025 the District will continue the Ashford Park dual language immersion articulation by expanding the dual language immersion program at Chamblee Middle School to include grades 6-8.

The district implements 50/50 immersion model. Students will be taught math, science, and social studies in German. Using English, the students will study literacy and receive more math support. In the middle school, students study Advanced Language and Literacy and World Studies.
