Perseverance

Chamblee Middle School is one of the many DeKalb County Public Schools providing numerous high quality instructional programs. In addition to serving students who live in our attendance area, Chamblee Middle School also houses one of DeKalb's two middle school Magnet Program for High Achievers.

Our academic excellence is illustrated by our consistent high scores on state and national tests and the numerous accolades and accomplishments of our students and faculty. Our highly qualified staff is committed to meeting the unique needs of the middle school learner. As a result, Chamblee Middle School provides:

- A curriculum that is relevant, challenging, integrative, and exploratory.
- Multiple learning and teaching approaches that respond to diversity.
- Assessment and evaluation programs that promote quality learning.
- Traditional middle school organizational structure that supports meaningful relationships and learning.
- School-wide efforts and policies that foster health, wellness, and safety.
- Multifaceted guidance and support services.

Students residing in the Ashford Park, Huntley Hills, Kittredge Magnet, and Montgomery Elementary attendance areas are eligible to attend CMS. We house 6th - 8th grades.
