PROGRAM DESCRIPTION

The Chapel Hill Middle School Magnet High Achievers Program, provides a challenging educational experience for academically gifted and high achieving students, who are performing above grade level.

Our program strives to meet these students' specific learning styles and accelerated academic needs.

Our program features the latest teaching approaches and technology enhanced instruction in all areas of the curriculum. It provides rigorous interdisciplinary course of study that meets the needs of the highly motivated students. There is a "hands-on" emphasis throughout the interdisciplinary curriculum, with technology and cooperative learning strategies.

Our ultimate goal of the magnet program is to target the development and expansion of student capabilities needed for leadership in the future.

Students are expected to participate and compete in "National History Day," and "Science Fair," and "Future City," competitions in 7th and 8th grade.

ELIGIBILITY

Students must reside in DeKalb County School District, complete an application by the deadline, and have a fall semester of 3.0 or higher GPA in core subjects.

DeKalb students rising to grades 7-8 must also earned 75th percentile or higher on total reading and total math score baseline M.A.P. assessment taken in the current school year.

TRANSPORTATION

The most current DeKalb County transportation policy will be followed for the magnet programs/schools. During the school year, students will report to designated satellite pick up locations in their region for transportation to all magnet programs/schools.
