

Overview of IB

- The most rigorous programme offered at Tucker High School.
- A comprehensive and world-class education for 11th and 12th grade students.
- Designed as an academically challenging and balanced program that prepares students for college and life beyond.
- Has gained recognition and respect from the world's universities.
- Excellent preparation for college level work.
- Colleges look favorably upon the IB program as an indication of a student's level of motivation and ability to perform in a rigorous and challenging program.
- Studies on acceptance rate of IB Diploma students show that these students have higher acceptance rates at colleges in the U.S.

"Education is not the filling of a pail, but the lighting of a fire."

-William Butler Yeats

"Nothing great was ever achieved without enthusiasm."

-Coleridge
