NUTRITION TO GO

Can potato chips be part of a healthy meal? That depends. Is a jumbo bag of chips your entire meal? That's not too healthy. But a meal that includes a small bag of chips, a turkey sandwich with lettuce and tomato, a crisp fresh apple, and a glass of low-fat milk is quite nutritious -- and quite delicious, too!

A QUICK BITE FOR PARENTS

Q: How can you tell if your beans need a shower?!

A: Dried beans in a jar like these don't need a shower, although some cooks like to soak them. Canned beans, however, have a lot of added salt, so it's best to give them a quick rinse before cooking them! Fresh, dried, or canned, beans are an incredible and inexpensive source of protein, plus they have very little fat, are loaded with vitamins and minerals, and are one of the best sources of fiber you can find. Eat more beans!
