Small Group Focus Questions
1. In terms of factors such as natural geographic barriers and homeowner’s associations, what neighborhood areas (e.g. subdivisions, apartment complexes) should remain together and why?
2. What traffic concerns do you have that may impact the safe and timely transportation of students to and from schools?
3. Are there any residential development trends or redevelopments in your area that may impact future school enrollment?
4. Are there any special programs at your school that we should consider?

Basic Ground Rules for Facilitation Participants
- Staff can only consider input related to the criteria listed above
- School system staff commits to receiving and considering all appropriate input
- Staff must balance multiple perspectives and logistical limitations in developing alternatives, not all input can be accommodated
- Please respect each other’s opinions
- Submit all questions in writing via note cards, website, mail, or e-mail (listed below)
